

FINAL Race Schedule for Saturday, August 25, 2018

(Posted August 23, 2018 at 12:30 p.m.)

The race times and lanes for the morning races were done by random draw. The afternoon races were done by ensuring that teams were matched with teams that they did not race the first time, and by assigning teams a different lane than they had in the morning.

Each team should have a morning race and an afternoon race.
